Location
Step out to the contemporary pulse of Melbourne's ultimate events venue. Positioned on the riverfront side of Federation Square, ZINC offers a rare private space in the heart of Melbourne. This modern and stylish venue adds a sense of elegance and sophistication to any event, with contemporary design and striking features such as floor-to-ceiling windows that overlook the Yarra River. Shaded by elm trees, ZINC's outdoor decks provide an excellent setting for pre-dinner drinks with views across the river to the city skyline.

Design
Enjoy the finest cuisine amid exquisite details such as sheer organza curtaining, fine Villeroy and Boch tablewear, sleek Foglia chairs and superb atmospheric lighting.

With ample space for up to 450 people for a dinner dance, a generous dance floor and elegant lounge area, ZINC blurs the boundaries between modern conference venue and stylish event space. Accommodating up to 1000 for a cocktail style event, the venue also features a central operable wall which divides the space into two studios for more intimate gatherings.

Catering Facilities
EPICURE provides its award winning service, offering a range of menus for any style of occasion. From themed dinners, formal banquets and cocktail parties, through to breakfast meetings and working lunches, EPICURE designs seasonal menus using the finest quality and seasonal produce.

Venue Styling
No matter what type of event you are organising ZINC's team is there to assist. They can offer support in event organisation including sourcing entertainment, decorations and total event theming.

Food Philosophy
EPICURE does more than just serve food, stage events, and offer the best possible produce. Their philosophy runs much deeper. Favouring local suppliers, they're always aiming to reduce their carbon footprint by supporting home grown, environmentally sustainable produce.

It goes to the heart of the Epicurean philosophy – creating happiness through good food, good wine, good friends – in a way that does no harm. This approach means that EPICURE is constantly researching suppliers who produce food of exceptional quality using humane methods.

EPICURE uses free-range poultry and smallgoods wherever possible, and never uses cage-reared eggs. All seafood is Australian, farmed or wild. Their philosophy also extends to the sourcing of specialty local dry goods such as nuts, grains, and vinegars, as well as local mineral water, 100% Australian orange juice and a Fair Trade coffee blend.

This approach ensures EPICURE creates exciting seasonal menus that revolve around fresh local produce when it's at its best. So whatever time of year your event is being held, you'll be guaranteed an outstanding meal.

Technical Facilities
Audio Visual Dynamics manage the audio visual equipment at ZINC. Facilities include automatic screens, broadband internet and video conferencing. Their dedicated team will work with you closely for all your audio visual production needs.

Parking
The Federation Square car park boasts 500 car spaces and is accessible from Russell Street and Batman Avenue.

The Flinders Gate car park directly across from Federation Square, accessible from Flinders Street, has 1000 car spaces.
