

CLARION SUITES GATEWAY

www.clarionsuitesgateway.com.au

Water Management

- All taps are fitted with water restrictors
- All showerheads are water efficient.

Waste Management

- All paper products in the offices and guest rooms are recycled by Visy
- All aluminium cans and plastic are recycled from the offices, guest rooms and kitchen.

Energy Management

- All lights are fitted with energy efficient globes
- Staff and guests are advised to switch off lights and air-conditioning when exiting a room.

Programs currently participating in

- AAA Tourism Eco-Friendly STAR
- City of Melbourne, Savings in the City.

Strategies Implemented

The 'Join your Fellow Guests' program is currently being rolled out. This project is designed to better educate guests and staff on the best way to reduce their impact on the environment. Clarion Suites Gateway is creating a range of collateral and running induction programs for new staff members.

Accolades Received

- AAA Tourism Eco-Friendly Star.

Projects to be Completed

- Implement power savers in all rooms
- Switch to environmentally friendly products.
