

## SOMERSET ON ELIZABETH

---

[www.somerset.com](http://www.somerset.com)

### **Water Management**

Water restrictors in every room (shower head and basin taps).

### **Waste Management**

Paper and cardboard are recycled.

### **Energy Management**

- Lighting in all public areas is reduced at night
- Staff turn off their PCs at night
- TVs in guest rooms are turned off instead of left on stand-by.

### **Strategies Implemented**

Notes have been placed in rooms to encourage guests to re-use their towels and turn off lights and air conditioning when not in their rooms.

### **Accolades Received**

Green Star awarded by AAA Tourism.

### **Projects to be completed**

Somerset on Elizabeth has just created a "green committee" in order to generate and implement energy and waste saving initiatives.
