Boyle Industries Pty Ltd has been sourcing product for corporate events from all over the world for over 30 years. We cater to every need and can customise product to suit your specific requirements with corporate logos able to be put on just about anything. Known for our quirky products if you're looking for something out of the ordinary come to us and we're sure to be able to provide complete satisfaction.

Soft toys, blankets, model cars, writing compendiums, pens, badges, tin automobilia and USB memory sticks are just a few of the corporate products we've produced.

Pictured here is our 30cm tin W-Class Melbourne Tram. This can include your company logo.
