Our Experience

Established in 1995, EMG has been managing high level corporate and government events nationally for over 15 years and has over 80 years of collective experience within its team.

Operating from our offices in Port Melbourne, the EMG team will identify and design solutions to meet the needs of your event within your budget. We pride ourselves on our flexible approach which ensures that every event and every interaction with our team exceeds your expectations.

Our testimonials and referrals speak for themselves!

EMG's reputation as a trusted service provider and advisor within the industry continues to grow through our ever expanding lists of satisfied clients.

'EMG led the team to design and produce a spectacular event which saw the introduction of new technologies into our conferencing environment, allowing us to maximize branding opportunities and create powerful presentations. This Conference is now one of our flagship events and EMG's work has led to that success'. – Leading Communication Provider

"EMG has a thorough understanding of events, impeccable attention to details and strictly complies with MCEC's rigorous technical, OH&S and logistical requirements. You can be assured that you'll work with an innovative company with the experience to ensure your event will be meticulously planned and executed." – Frank Burger, Director F&B, MCEC

'Your professional attitude was evident right from our initial meeting until the end of our event. Your calm approach to organising the event at such short notice and your nothing is impossible attitude was most welcome and greatly appreciated'. – Department of Education and Training

'Your advice was invaluable and the fact that this night was coordinated with a smile and in such a calm manner was also very impressive. As a group we walked away from this Awards Night with pride'. – Barry Plant Group
