**Email:** [belinda@i-c-d.com.au](mailto:belinda@i-c-d.com.au)

## **Conference & events support: we love the jobs you hate!**

Integrated Communications & Distribution is a new name for an old player in conference and event support services. Many MCVB members will know us as BMH Direct. Following a recent merger, we've acquired a new name and a new look however we're the same experienced

team ready to help make your conference or event stress free!

Don't stay up all night packing satchels and making name tags – let us do it for you! We can call and update your database before you send invitations to maximise the response. We can even make reminder calls to prompt delegates to register early. Have surveys or feedback forms to data enter? We do that too!

Call (03) 9782 5800 or email [belinda@i-c-d.com.au](mailto:belinda@i-c-d.com.au) for more information and make your event a success with less stress!
