Mildura Rural City Council

So many options in Mildura

In the vibrant regional city of Mildura there are endless pre and post conference touring activities to capture your imagination.

Immerse yourself in our Indigenous and irrigation settlement heritage, fill your belly with quality local food and wine, set sail on the Murray River, wander the many golf courses or relax at a day spa.

We can help work out a program to dovetail with your conference or just give you some suggestions for great touring. We can tailor a scientific tour to Mungo National

Park, or wine tours to wineries and vineyards or field trips to view innovative water or salinity projects. These are just a few ideas to get you thinking!

With air connections from Melbourne on Qantas, Rex and Virgin Blue and from Adelaide with Sharp Airlines, Mildura need only be 40 minutes away.
