Expand your experience

Since its establishment in 1969, Moreton Hire has grown into one of Australia's largest and most trusted exhibition and event infrastructure providers, servicing more than 1500 exhibitions, events and trade fairs annually through our offices in Sydney, Melbourne, Brisbane and the Gold Coast.

Our full suite of services run from product sourcing and development, project management and design to logistical support and implementation. All of which enables us to provide you with endless ways to create exciting and unique environments.

At Moreton Hire we are perfectly placed to cater to your needs, thanks to our unique mix of innovation and experience, product sourcing and project management, as well as a dedicated account management team who will recognise your goals and help manage your budget.

Exhibitions

Exhibitions brings together all the planning, products, services and design necessary to deliver the best exhibition or trade show solution for all our clients.

Custom Stands

Whether it's a major exhibition or small-scale event, Custom Stands are a 3D marketing solution that provide you with endless amounts of creativity – and the power to connect directly with prospective clients.

Events & Design

We provide design, styling and decoration services plus a comprehensive range of products catering to everything from corporate, community and sporting events to weddings and parties.

Major Events

A proven partner for Major Events and projects.

Express – Party Hire

Moreton Hire Express offers high quality, great value party hire products.

Audio Visual & Lighting

State-of-the-art technology to bring your exhibition, trade show or event to life.
