PETER ROWLAND

Marvel at the beauty of the iconic gallery in the heart of Victoria's arts precinct.

NGV International is one of Melbourne's finest cultural institutions.

Just a few minutes walk from the CBD, the collection comprises of over 39,000 works of art that reflect many different styles and inspirations.

As a function space it is truly unique.

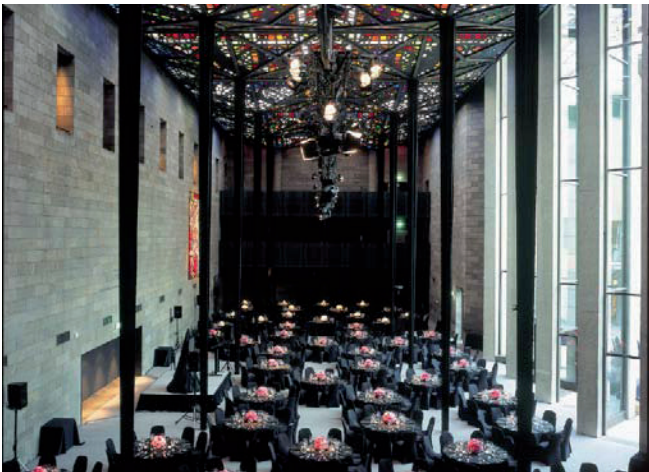

The Great Hall is a large capacity function area. It is famous for its high ceiling which showcases a stunning stained glass design by Leonard French, which provides the perfect backdrop for a memorable gala dinner and large-scale cocktail party events.

Pass by Sir Roy Grounds' original Waterwall to Federation Court. With its glass dome ceiling, Federation Court complements the Great Hall for pre-dinner drinks.

Persimmon is equally impressive and is ideal for corporate or private functions and intimate dinners. Bathed in natural light by large glass windows the restaurant overlooks the Grollo Equiset Garden, home to some of the gallery's most treasured sculptures. For evening events, a lighting design that complements the garden's collection of art works is available.

Private viewings of the NGV collection can be arranged to add to the gallery experience.

Immerse yourself in the rich experience of the gallery.
