## **Evoke emotions. Stir the senses**

Two time winner of the National Tourism Award for Best Cultural and Historical site, the Old Melbourne Gaol Crime and Justice Experience is an incredibly rare and unique event venue.

Located in the CBD, the precinct includes many spaces such as the historically restored Old Melbourne Gaol where Ned Kelly was hung, The Former City Watch House which held many of Melbourne's gang land characters and the Old Magistrates Court.

## **Post Conference**

Ideally used as a post conference option, the Watch House offers a 'capturing' experience and is often used as a successful networking option. Delegates from interstate and overseas often relish in the culture and savour the history.

## **Venue Highlights**

The three levels and 96 cells of the Old Melbourne Gaol is a discovery for your guests to explore. A full range of tours are available, and a range of diverse entertainment and shows tailored specifically for the venue, including the infamous 'Kelly Gang Riot'.

## **Catering**

Catering is by Marekai Events who have been catering exclusively on site for over five years. Marekai believe in 'Creation, not duplication' and have an innovative approach to the range of food and beverage options available.

If your event demands to be different, contact Marekai Events.
