A Unique Australian

Emu Bottom is Victoria's oldest homestead and one of its most unique and exciting venues. Situated just 35 minutes from Melbourne's CBD and 15 minutes from Melbourne Airport, the beautiful natural location of the award winning Emu Bottom provides a magical setting and can be used in ways that are limited only by the imagination.

On arrival at Emu Bottom, you can be entertained by a drover on horseback, then indulge in the tastes of billy tea and fresh baked damper. You'll marvel at the skills of whip cracking, sheep shearing, boomerang throwing and more, joining in the fun with gumboot throwing and genuine Aussie bushman activities.

Emu Bottom features two high quality and well appointed dining facilities. The Woolshed, built of hefty red gum slabs evokes the spirit of early shearing days whereas The Homestead Dining Room has all the charm and elegance of a fine country home with views over the garden and the valley beyond.

Emu Bottom offers clients exclusive use of the facilities as the homestead is not open to the public and programs may be specially designed to cater for:

- Day Seminars and Meetings
- Special Events
- Social Programs for Conferences
- Incentive & Tour Groups
- Corporate & Team Building.
