### Testimonials

“The inaugural 2010 IYMH Conference attracted 1000 delegates from the mental health field bringing together innovators, practitioners, researchers, young people and families to showcase the best of youth mental health innovation from around the globe.

It was a pleasure to work with Kate Smith and the supportive WSM team from the initial planning stages and watch IYMH grow into an outstanding success for all participants”

**Professor Patrick McGorry - MD PhD FRCP FRANZCP - Australian of the Year 2010**

“The 2010 International Conference on Nanoscience and Nanotechnology (ICONN) brought together Australian and International industry, government and research sectors to explore advances and latest breakthroughs in the field of nanoscience and nanotechnology. ICONN 2010 with over 850 Delegates from 24 countries and 25 Exhibitors, has been referred to as one of the most successful ever offering long term benefits to the field both nationally and internationally.”

**Dr Cathy Foley CSIRO – AIP Past President**

“WALDRONSMITH Management proved to be a high quality and reliable contributor to the success of 9ICSHMO. Ours was an international scientific conference covering many themes and with delegates from 27 different countries. I believe that the knowledgeable, experienced, flexible and friendly staff from WSM made the local organising committee's job much easier and I would have no hesitation in working with WSM again on future scientific conferences”

**Neil Plummer, Chair 9th International Conference on Southern Hemisphere Meteorology and Oceanography**
