SkyBus – Melbourne Airport-City – The way to go.

SkyBus operates a rapid transit link from Melbourne Airport to the City and City to Melbourne Airport, departures from every 10 minutes 24 hours a day, 7 days a week including public holidays.

Departing at kerbside from all airport terminals to and from Southern Cross Station in the Melbourne CBD, the buses all feature low floors, in-bus luggage storage, SkyBus TV and all are wheelchair friendly.

Fares, 70% less than an average taxi fare, begin at \$16 one way. Special rates for conference movements.

Free transfers are available from our city terminal to all CBD hotel venues – refer to our website for details.

SkyBus is quick – average travel time 20 minutes. Friendly staff are eager to assist and it's a green way to travel.

SkyBus provides your delegates with a cost effective option when attending an event in Melbourne.
